

STARK & STARK'S MOTORCYCLE EXPERIENCE

For over 75 years Stark & Stark has fought to protect the rights of others. Our Motorcycle Injury Group concentrates their practice in the areas of serious personal injuries and motorcycle accidents. Several of our attorneys are certified by the Supreme Court of New Jersey as a Certified Civil Trial Attorneys.

In addition to practicing law, Stark & Stark's Motorcycle Injury Attorneys are motorcycle riders. A motorcycle accident can leave you with serious injuries, lost wages and unpaid medical bills. It can also leave you with lots of questions and not many answers. Because of our experience riding, we understand the many questions people often face when they've been injured in a motorcycle accident.

Stark & Stark's Motorcycle Injury Group is quick to understand exactly what happened from a bikers point-of-view. As experienced trial lawyers, we know how to communicate with insurance companies, lawyers, and juries the details and dynamics of bike riding.
